

# PLATO STESCI Workshop III

Nov 19-22, 2019

Barcelona, Spain

plato

---

## 1st Circular

---

### Location and date

The workshop will take place at the Residencia de Investigadores, Carrer de l'Hospital 64, Barcelona. Registration starts on November, Tuesday 19th at 9:00 and the Workshop starts at 9:30. The workshop will end on Friday 22nd, at 12:00.

**There is no registration fee for the Workshop.**

Coffee breaks will be served. Each participant will be responsible for her/his own lunch. The venue is in the city center, in very touristic area, so there are plenty of choices. A list with several suggestions will be circulated before the workshop.

The Workshop Webpage is [here](#).

### Talks - Presentations

We have a very packed schedule. In order to minimize time losses, we will use only one laptop for all presentation. Therefore, we will ask speakers to provide their presentations in advance, and preferably in PDF format. If you absolutely must use powerpoint or keynote because fancy features such as movies, let us know in advance.

Note that the Workshop webpage allows, once you log in with your account, to upload your presentation. Simply find your name in the detailed timetable, click on it, and then select the small menu icon on the top-right corner. Under the title Presentation Materials you will find the Upload button. You are encouraged to use this option. Otherwise, bring a usb stick before your session starts.

### Confirmation of attendance and Workshop dinner

We ask you to please confirm your attendance to the workshop.

The workshop dinner will take place on Thursday 21st, at 20:00, at the Citrus restaurant. The cost per person is 40€ and it has to be paid upon registration with **cash** - we cannot accept credit/debit cards. There will be three options for main course, and we ask you to let us know in advance which is your preference.

Please, confirm attendance to workshop and dinner by filling in this form: [Attendance and dinner](#)

### Posters

A few participants have asked about the possibility of bringing posters. There is very limited room, just for about 6 posters and there is no plan to have a dedicated session of '1-minute' presentations for posters. However, posters will be placed in the same room where we will have coffee breaks, so there will be ample possibilities for people to see and discuss them.

If you are willing to bring a poster, please send us an email to [wp120bcn19@ice.csic.es](mailto:wp120bcn19@ice.csic.es) with the title and a short abstract not later than **October 31st**. Given the limited space, we will need to select those with topics closer to the main theme of the workshop if there are more than can fit in the available space for them. We will notify about selected posters by **November 5th**.

## What to do in Barcelona

There are plenty of things to do in Barcelona, and you will be better off checking online by yourself. If you have an extra day or two, here are some options. However, here is an incomplete list of possibilities:

- Gaudi architecture - Be aware you will need to get your tickets in advance, even during low season as late November.
  - [Sagrada Familia](#)
  - [Casa Battlo](#)
  - [La Pedrera](#)
  - [Parc Güell](#)
- [Fundación Miró](#) - Located in Montjuic area, it has permanent and temporary exhibition. No need to book in advance.
- [Museo Picasso](#) - City center, walking distance from the workshop venue.
- [Football Club Barcelona Museum](#) - Located in the Camp Nou.
- [Cirque du Soleil](#). Coincidentally with the Workshop, Cirque du Soleil is offering in Barcelona a show inspired by Messi. You can check online dates and prices.
